... and fold to detach – result: cards with perfectly clean edges!

BIG PACK BUSINESS CARDS FOR PRE-PRINT SERVICE

That's how "Pre-Print" works:
Combination with offset print and customisation at the desk

1 Creation of your corporate design per offset-print
Creation of the master with your corporate design and a larger print run of blank sheets of the business cards with clean edges will be pre-printed

2 Customisation with your own printer
The employee or the responsible office will print the respective information on the pre-printed sheets with inkjet or laser printer.
